

*'Thanks so much for all your work on
Opening Windows, Opening Doors.
It was EXCELLENT -
so well planned, well organized, and
effectively presented - just the kind of
training we need to empower our leaders
and energize our congregations.'*

That's just one of the e-mails the planning committee has received from rostered leaders and congregation council members who attended one of the first two training days. If you missed them, don't worry! You still have plenty of time to register for the three events set for Fall 2008...and for a donation of \$5 per person, your council can't afford *not* to attend. Visit the synod website, <DeMdSynod.org>, to download and print information/registration brochures. Reviews of the first two sessions indicate that these are "must-attend" events that are even more beneficial when your council attends as a group.
