

PossABILITY Prayer Rocks

To promote awareness in diversity, consider passing out prayer rocks in worship or during other times.

How to make up the prayer rocks:

1. The rocks should not be uniform – gather or purchase rocks that have different shapes and sizes.
2. Copy the prayers on the next page as many times as you need for your rocks. Cut out the prayers and leave room for a hole punch to one side. (It may be best to fold the prayer up to the bottom of the hole punch.)
3. Wrap the rocks in simple tulle and put a string or ribbon around it with the prayer listed on the next page.

Places to use the prayer rocks:

Let this Prayer Rock remind you to pray for those who are differently-abled.

Our Father in heaven,
Just as each rock is different
You made each of us unique.
Help us realize that we can bring love and understanding to others.
Forgive those who discount people with different gifts.
Give strength and courage to all who strive to do their best.
In Jesus' name we pray. Amen.
