CONSTITUTION BYLAWS CONTINUING RESOLUTIONS for DELAWARE MARYLAND SYNOD

June 3, 2017

CODIFICATION EXPLANATION

The 2003 Delaware-Maryland Synod Assembly reformatted the Constitution, Bylaws and Continuing Resolutions in order to place together provisions that pertain to the same matter. This format makes the document easier to use.

With this new format, the Constitution, Bylaws and Continuing Resolutions are identified by means other than physical separation. In this constitution the following devices identify the three types of provisions:

All constitutional provisions are printed in bold face type.

All bylaw provisions are printed in light face type.

All continuing resolutions are printed in italic type.

A numerical codification indicates general subject, constitutional provisions, bylaw provisions, and continuing resolutions.

Major sections are designated as chapters. The chapters are numbered 1 through 22. The chapter designation becomes the first number in the codification sequence and is followed by a period. Thus provisions in "Chapter 14. Church Council" are preceded by "14."

General subjects normally are titled and designated by a number ending in zero. Thus, a subdivision of Chapter 16 that contains provisions regarding the divisions and commissions is codified and titled "16.10. Divisions." When subjects that are bylaw provisions only are titled, the same principles would apply within the third number sequence, e.g., 16.11.10. Division Boards.

Constitutional provisions are codified with two sets of numbers, the chapter number and a two-digit number preceding the second period in the codification. Thus, one constitutional provision related to the presiding bishop of this church is 13.21.

Bylaw provisions are codified with three sets of numbers, the chapter number, the related constitutional provision number, and a two-digit number. Thus, one bylaw provision related to the secretary of this church is codified as 13.41.01.

Continuing resolutions also are codified with three sets of numbers except that the third set is preceded by a capital letter. Thus, a continuing resolution might be numbered 16. to designate the chapter; 16.11. to designate the subject matter within the chapter; and the third set might be numbered A91. in the codification 16.11.A91. to indicate by the "A" that it is the first continuing resolution regarding that subject and by the "91" that it was adopted in 1991.

When many related provisions are parts of a unit that are considered inseparable, they are normally lettered "a," "b," "c," etc. When related provisions are part of a unit but considered separable, such as a list of duties, they are

normally numbered in sequence. If the related provisions cannot be clearly judged to be separable or inseparable, preference will be given to a number sequence.

If chapter numbers are considered the major sequence number, constitution numbers as a fraction of the chapter number, and bylaw numbers as a fraction of the constitution number, then the codification can be said to provide a progressive sequence. Thus, 8.31. will precede 8.33.01., and 9.21.01. will precede 9.22.

Provisions in the Constitution for Synods are prefaced with "S," and those in the Model Constitution for Congregations with "C."

In these governing documents, with the exception of the "Restated Articles of Incorporation," "Church" with a capital letter is used in references to the one, holy, catholic, and apostolic Church. In references to the Evangelical Lutheran Church in America, the words "church" and "this church" in lower case letters are employed.

Chapter 2.

STATUS

- †S2.01. This synod possesses the powers conferred upon it, and accepts the duties and responsibilities assigned to it, in the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*, which are recognized as having governing force in the life of this synod.
- †S2.02. The name Evangelical Lutheran Church in America (ELCA or “this church”) as used herein refers in general references to this whole church, including its three expressions: congregations, synods, and the churchwide organization. The name Evangelical Lutheran Church in America is also the name of the corporation of the churchwide organization to which specific references may be made herein.

†S2.03. No provision of this constitution shall be inconsistent with the constitution and bylaws of this church.

**Chapter 3.

†S3.01. The territory of this synod, as determined by the Churchwide Assembly, shall be: the state of DELAWARE; the city of Baltimore and the counties of Allegany, Anne Arundel, Baltimore, Caroline, Carroll, Cecil, Dorchester, Frederick, Harford, Howard, Kent, Queen Anne's, Somerset, Talbot, Washington, Wicomico, and Worcester in the state of MARYLAND; the congregation of Holy Trinity, Prince George's County, in the State of MARYLAND; the congregation of Mt. **Chapter 4.
CONFESSION OF FAITH**

†S4.01. This synod confesses the Triune God, Father, Son, and Holy Spirit.

†S4.02. This synod confesses Jesus Christ as Lord and Savior and the Gospel as the power of God for the salvation of all who believe.

a. Jesus Christ is the Word of God incarnate, through whom everything was made and through whose life, death, and resurrection God fashions a new creation.

b. The proclamation of God's message to us as both Law and Gospel is the Word of God, revealing judgment and mercy through word and deed, beginning with the Word in creation, continuing in the history of Israel, and centering in all its fullness in the person and work of Jesus Christ.

c. The canonical Scriptures of the Old and New Testaments are the written Word of God. Inspired by God's Spirit speaking through their authors, they record and announce God's revelation centering in Jesus Christ. Through them God's Spirit speaks to us to create and sustain Christian faith and fellowship for service in the world.

†S4.03. This synod accepts the canonical Scriptures of the Old and New Testaments as the inspired Word of God and the authoritative source and norm of its proclamation, faith, and life.

†S4.04. This synod accepts the Apostles', Nicene, and Athanasian Creeds as true declarations of the faith of this synod.

- †S4.05. This synod accepts the Unaltered Augsburg Confession as a true witness to the Gospel, acknowledging as one with it in faith and doctrine all churches that likewise accept the teachings of the Unaltered Augsburg Confession.
- †S4.06. This synod accepts the other confessional writings in the Book of Concord, namely, the Apology of the Augsburg Confession, the Smalcald Articles and the Treatise, the Small Catechism, the Large Catechism, and the Formula of Concord, as further valid interpretations of the faith of the Church.
- †S4.07. This synod confesses the Gospel, recorded in the Holy Scripture and confessed in the ecumenical creeds and Lutheran confessional writings, as the power of God to create and sustain the Church for God’s mission in the world.

Chapter 5.

NATURE OF THE CHURCH

- †S5.01. All power in the Church belongs to our Lord Jesus Christ, its head. All actions of this synod are to be carried out under his rule and authority.
- †S5.02. This church confesses the one, holy, catholic, and apostolic Church and is resolved to serve Christian unity throughout the world.
- †S5.03. The Church exists both as an inclusive fellowship and as local congregations gathered for worship and Christian service. Congregations find their fulfillment in the universal community of the Church, and the universal Church exists in and through congregations. This church, therefore, derives its character and powers both from the sanction and representation of its congregations and from its inherent nature as an expression of the broader fellowship of the faithful. In length, it acknowledges itself to be in the historic continuity of the communion of saints; in breadth, it expresses the fellowship of believers and congregations in our day.
- †S5.04. This church, inspired and led by the Holy Spirit, participates in The Lutheran World Federation as a global communion of churches, engaging in faithful witness to the gospel of Jesus Christ and in service for the sake of God’s mission in the world.

S14.33. The minister of Word and Service shall become a member of the congregation upon receipt and acceptance of the letter of call. In a parish of multiple congregations, the minister of Word and Service shall hold membership in one of the congregations.

S14.34. Each minister of Word and Service on the roster of this synod shall submit a report of his or her ministry to the bishop of the synod at least 90 days prior to each regular meeting of the Synod Assembly.

†S14.41. When a congregation of this church desires to call a minister of Word and Service or a candidate for the ministry of Word and Service of this church:

- a. Each congregation of this synod shall consult the bishop of this synod before taking any steps leading to the extending of a call to a prospective minister of Word and Service.**
- b. For issuance of a letter of call to a minister of Word and Service or candidate by a congregation of this synod in accord with ELCA constitutional provision 7.71., a two-thirds vote shall be required of members of the congregation present and voting at a meeting regularly called for the purpose of issuing such a call.**
- c. When the congregation has voted to issue a call to a prospective minister of Word and Service , the letter of call shall be submitted to the bishop of this synod for the bishop's signature.**

S14.42. No minister of Word and Service shall accept a call without first conferring with the bishop of this synod. A minister of Word and Service shall respond with an answer of acceptance or declination to a letter of call within 30 days of receipt of such call. In exceptional circumstances with the approval of the bishop of this synod and the chair of the Congregation Council of the congregation issuing the call, an additional 15 days may be granted to respond to a letter of call.

†S14.43. a. The call of a congregation, when accepted by a minister of Word and Service, shall constitute a continuing mutual relationship and commitment which shall be terminated only by death or, following consultation with the synodical bishop, for the following reasons:

- 1) mutual agreement to terminate the call or the completion of a call for a specific term;**

- 3) inability to conduct the office effectively in that congregation in view of local conditions;**
- 4) physical disability or mental incapacity of the minister of Word and Service;**

- b. When allegations of physical disability or mental incapacity of the minister of Word and Service under paragraph a.4) above, or ineffective conduct of the ministry of Word and Service under paragraph a.3) above, have come to the attention of the bishop of this synod,
- 1) the bishop in his or her sole discretion may investigate such conditions personally together with a committee of two rostered ministers and one layperson, or
 - 2) when such allegations have been brought to the synod's attention by an official recital of allegations by the Congregation Council or by a petition signed by at least one-third of the voting members of the congregation, the bishop personally shall investigate such conditions together with a committee of two rostered ministers and one layperson.
- c. In case of alleged physical disability or mental incapacity under paragraph a.4) above, the bishop's committee shall obtain and document competent medical opinion concerning the minister of Word and Service's condition. When the position is declared vacant, the Synod Council shall list the deacon on the roster of Ministers of Word and Service as disabled. Upon removal of the disability and restoration of the minister of Word and Service to health, the bishop shall take steps to enable the minister of Word and Service to resume the ministry, either in the congregation last served or in another appropriate call.
- d. In the case of alleged local difficulties that imperil the effective functioning of the congregation under paragraph a.3) above, the bishop's committee shall endeavor to hear from all concerned persons, after which the bishop together with the committee shall present their recommendations first to the minister of Word and Service and then to the congregation. The recommendations of the bishop's committee address whether the minister of Word and Service's call should come to an end and, if so, may suggest appropriate severance arrangements. The committee may also propose other actions that should be undertaken by the congregation

and by the minister of Word and Service, if appropriate. If the minister of Word and Service and congregation agree to carry out such recommendations, no further action need be taken by the synod.

- e. - f. Chapter 15.

FINANCIAL MATTERS

†S15.01. The fiscal year of this synod shall be February 1 through January 31.

†S15.11. Since the congregations, synods, and churchwide organization are interdependent units that share responsibly in God's mission, all share in the responsibility to develop, implement, and strengthen the financial support program of the whole church. The gifts and offerings of the members of the Evangelical Lutheran Church in America are given to support all parts of this church and thus partnership in this church should be evidenced in determining each part's share of the gifts and offerings. Therefore:

- a.** The mission of this church beyond the congregation is to be supported by such a proportionate share of each congregation's annual budget as each congregation determines. This synod shall develop guidelines for determining "proportionate share," and shall consult with congregational leaders to assist each congregation in making its determination.
- b.** This synod shall receive the proportionate share of the mission support from its congregations, and shall transmit that percentage or amount of each congregation's mission support as determined in consultation with the churchwide organization and approved by the Synod Assembly as part of its budget consideration.
- c.** Should the Synod Assembly not approve the proportionate share of mission support determined in consultation with the churchwide organization, a new consultation with the churchwide organization shall take place. The Synod Council is authorized to amend the budget adopted by the Synod Assembly to reflect the results of this consultation.

†S15.12. The annual budget of this synod shall reflect the entire range of its own activities and its commitment to partnership funding with other synods and the churchwide organization.

S15.13. On the basis of estimated income, the Synod Council shall authorize expenditures within the budget for the fiscal year. Expenditure authorizations shall be subject to revision, in light of changing conditions, by the Synod Council.

S15.14. Except when such procedure would jeopardize current operations, a reserve amounting to no more than 16 percent of the sum of the amounts scheduled in the next year's budget for regular distribution to synodical causes shall be carried forward annually for disbursement in the following year in the interest of making possible a more even flow of

income to such causes. The exact number of dollars to be held in reserve shall be determined by the Synod Council.

S15.21. No appeal to congregations of this or any other synod of the Evangelical Lutheran Church in America for the raising of funds shall be conducted by congregations or organizations related to or affiliated with this synod without the consent of the Synod Assembly or the Synod Council.

†S15.31. This synod shall arrange to have an annual audit of its financial records conducted by a certified public accountant firm recommended by the synod Audit Committee and approved by the Synod Council. The audited annual financial report shall be submitted by this synod to the churchwide Office of the Treasurer and to the congregations of this synod. The financial reports shall be in the format approved from time to time by the churchwide Office of the Treasurer.

†S15.32. This synod shall maintain adequate, continuous insurance coverage in accordance with standards recommended by the churchwide organization. Insurance programs offered or endorsed by the churchwide organization shall be deemed to fulfill this obligation.

Chapter 16.

INDEMNIFICATION

†S16.01. Subject to the limitations and duties imposed by law, each person who is or was made or threatened to be made a party to any proceeding by reason of the present or former capacity of that person as a Synod Council member, officer, employee, or committee member of this synod shall be indemnified against all costs and expenses incurred by that person in connection with the proceeding. Indemnification of any person by reason of that person's capacity as a director, officer, employee, or committee member of any other organization, regardless of its form or relationship to this synod, is subject to the provisions of section **†S16.02.**

a. The term "proceeding" means a threatened, pending, or completed lawsuit, whether civil or criminal, an administrative or investigative matter, arbitration, mediation, alternative dispute resolution, or any other similar legal or governmental action. Except as otherwise required by law, the term "proceeding" does not include (a) any action by this synod against the individual seeking indemnification, or (b) subject to **†S16.04.**, a disciplinary hearing or related process described in Chapter 20 of the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*.

b. The term "indemnification" includes reimbursement and advances of costs and expenses for judgments, penalties, fines, settlements, excise taxes, reasonable attorneys' fees, disbursements, and similar required expenditures.

- †S16.02. Whenever a person who, while a Synod Council member, officer, committee member, or employee of this synod, is or was serving at the request of this synod as (or whose duties in that position involve or involved service in the capacity of) a director, officer, partner, trustee, employee, or agent of another organization, is or was made or threatened to be made a party to a proceeding by reason of such capacity, then such person shall be entitled to indemnification only if (a) the Synod Council has established a process for determining whether a person serving in the capacity described in this section shall be entitled to indemnification in any specific case, and (b) that process has been applied in making a specific determination that such person is entitled to indemnification.
- †S16.03. This synod may purchase and maintain insurance on behalf of itself or any person entitled to indemnification pursuant to this chapter against any liability asserted against and incurred by this synod or by such other person in or arising from a capacity described in section †S16.01. or section †S16.02.
- †S16.04. When written charges against a rostered minister of this church are made in disciplinary proceedings under Chapter 20 of the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America* by the synodical bishop or when written charges against a congregation are made in disciplinary proceedings by the Synod Council or the synodical bishop, and the discipline hearing committee determines that no discipline shall be imposed, then if such determination is not reversed or set aside on appeal, indemnification shall be made by the synod to the accused for reasonable attorney's fees and other reasonable expenses related to the defense of the charges. The determination of the reasonableness of such fees and expenses shall be decided by the Synod Council.

Chapter 17. ADJUDICATION

- †S17.01. The synodical bishop and the Executive Committee of the Synod Council shall be available to give counsel when disputes arise within this synod.
- †S17.02. The synodical bishop and the Executive Committee of the Synod Council shall receive expressions of concern from rostered ministers of this church, congregations, and organizations within this synod; provide a forum in which the parties concerned can seek to work out matters causing distress or conflict; and make appropriate recommendations for their resolution. When the matter at issue cannot be resolved in this manner, the prescribed procedures for investigation, decision, appeal, and adjudication shall be followed. Allegations or charges that could

lead to the discipline of a rostered minister of this church shall not be addressed by the Executive Committee but shall be resolved through the disciplinary process set forth in the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*.

†S17.03. When there is disagreement among units of this synod on a substantive issue that cannot be resolved by the parties, the aggrieved party or parties may appeal to the synodical bishop and the Executive Committee of the Synod Council for a consultation. If this consultation fails to resolve the issue, a petition may be addressed by the parties to the Synod Council requesting it to arbitrate the issue. The decision of the Synod Council shall be final.

†S17.04. When a component or beneficiary of a synod has a disagreement on a substantive issue that it cannot resolve, it may address an appeal to the synodical bishop and the Executive Committee of the Synod Council. In this case the decision of the Executive Committee shall prevail, except that upon the motion of a member of the Synod Council, the decision shall be referred to the Synod Council for final action.

†S17.10. Adjudication in a Congregation

†S17.11. When there is disagreement among factions within a congregation on a substantive issue that cannot be resolved by the parties, members of a congregation shall have access to the synodical bishop for consultation after informing the chair of the Congregation Council of their intent. If the consultation fails to resolve the issue(s), the Consultation Committee of this synod shall consider the matter. If the Consultation Committee of this synod shall fail to resolve the issue(s), the matter shall be referred to the Synod Council, whose decision shall be final.

Chapter 18.

AMENDMENTS, BYLAWS, AND CONTINUING RESOLUTIONS

†S18.10. Amendments to Constitution

†S18.11. Certain sections of this constitution incorporate and record therein required provisions of the constitution and bylaws of this church. If such provisions are amended by the Churchwide Assembly, corresponding amendments shall be introduced at once into this constitution by the secretary of this synod upon receipt of formal certification thereof from the secretary of the Evangelical Lutheran Church in America.

†S18.12. Whenever the secretary of the Evangelical Lutheran Church in America officially informs this synod that the Churchwide Assembly has amended the *Constitution for Synods*, this constitution may be amended to reflect any such amendment by a majority vote at any subsequent meeting of the Synod Assembly without presentation at a prior Synod Assembly. An amendment that is identical to a provision of the *Constitution for Synods*

shall be deemed to have been ratified upon its adoption by this synod. The Church Council, through the secretary of this church, shall be given prompt notification of its adoption.

†S18.13. Other amendments to this constitution may be adopted by this synod through either of the following procedures:

- a. An amendment may be adopted by a two-thirds vote at a regular meeting of the Synod Assembly after having been presented in writing at the previous regular meeting of the Synod Assembly over the signatures of at least ten (10) voting members and having been approved by a two-thirds vote of the voting members present and voting at such a regular meeting of the Synod Assembly.
- b. The Synod Council may propose an amendment, with notice to be sent to the congregations of this synod at least six months prior to the next regular meeting of the Synod Assembly. Such an amendment shall require for adoption a two-thirds vote of the voting members present and voting at such a regular meeting of the Synod Assembly.

All such amendments shall become effective upon ratification by the Churchwide Assembly or by the Church Council.

†S18.20. Amendments to Bylaws

†S18.21. This synod may adopt bylaws not in conflict with this constitution or with the constitution and bylaws of the churchwide organization. This synod may amend its bylaws at any meeting of the Synod Assembly by a two-thirds vote of voting members of the assembly present and voting. Newly adopted bylaws and amendments to existing bylaws shall be reported to the secretary of this church.

†S18.30. Amendments to Continuing Resolutions

†S18.31. This synod may adopt continuing resolutions not in conflict with this constitution or its bylaws or the constitution, bylaws, and continuing resolutions of the churchwide organization. Such continuing resolutions may be adopted or amended by a majority vote of the Synod Assembly or by a two-thirds vote of Synod Council. Newly adopted continuing resolutions and amendments to existing continuing resolutions shall be reported to the secretary of this church.
