

Dear ???,

I'm so glad you were back again this Sunday to St. Paul's! I know for some folks, they like to know more about getting connected right away and others like to take it slow. Just so you know, there are all kinds of great things happening like fellowship events, numerous ministries including Radical Hospitality, or joining a Growth Group. Every week the Connection Card lists them and you'll [also find a list on this brief survey](#). It will also let us know about your second visit and how we can serve you better!

I should also mention that we added your email address to St. Paul's communication. We do this so people know all the great ways they can be blessed! If you don't see any email from St. Paul's you might also want to check your "Spam" or in my Gmail they come as "Promotions." (Just click "unsubscribe" if you don't want to receive them.)

The staff and I will continue praying for you this week. If there is anything specific that we can be praying for you about, if you have any questions or if there is any other way we can help, please don't hesitate to let me know.

Have a great week and God Bless,  
Pastor Stuart
